

## Mandatory Personal Protective Equipment (PPE)

The following protective equipment and access card must always be worn within the yellow safety zone. However, drivers are allowed to await taking on a flame-retardant suit until unloading but must always wear full-coverage clothing and other protective equipment when getting out of the vehicle.

**Helmet with chin strap**  
CE approved, EN 397

**Safety glasses, goggles, visor or face mask**  
CE approved, EN 166

**Access card**  
Handed out at arrival and should be worn visibly

**Gloves**  
Visitors always.  
External workers according to the specific task

**Hi-Vis, flame-retardant full-coverage clothing**  
Long sleeves, long trouser legs and long socks covering the ankles

**Safety footwear**  
CE approved, EN 345
